

Dear Friends,

Fry-Wagner is hosting our 7th Annual Wendy Knop Memorial Golf Tournament on Saturday, July 22nd at The Links at Dardenne in O'Fallon, Missouri. As you may recall, Wendy was a long-standing Associate of Fry-Wagner who succumbed to a rare and aggressive form of cancer, leaving behind two beautiful children. Thanks to the outpouring of love and support from hundreds of people throughout the past six years, we have been able to help those fighting illness as well as families who have lost loved ones.

This year, Fry-Wagner will be celebrating Reese Werner. Reese Werner is a 4-year-old cancer patient battling Acute Myeloid Leukemia & Chemotherapy induced Cardiomyopathy. She was diagnosed on February 10, 2016. She has spent the majority of her time the past year at St. Louis Children's Hospital, which has separated her from her big sister Rylee. Last summer she stayed in the CICU for 3 months and finished up what they thought would be her last round of chemo, and she was sent home in remission. After being home for two months, she relapsed. Now back at St. Louis Children's Hospital, Reese went through three different rounds of chemotherapy and none of them worked. The cancer only got stronger.

At this point, Reese's cancer does not respond to normal chemotherapy. She started a trial drug that works completely different than the other drugs they have used on her in the past, and it seems to be working! She is scheduled for a bone marrow transplant if all continues to go well. She is waiting for more results to make sure her little body can handle it. Although this process can be dangerous for her, she has been in such great spirits - running, jumping, playing, and acting like a normal 4 year old little girl. Reese and her family are about to embark on another long journey, one that will hopefully keep Reese here a lot longer. We need a cure for her and hopefully this is the one. This little girl is not ready to give up and stop fighting!

All proceeds from our 2017 Golf Tournament will go directly to Reese and her family. Our goal is to make this year's tournament the best one yet! To make this endeavor successful for Reese, outside support is needed. We are asking for your help, and to join **#TeamReese** this year by considering the following:

- **Platinum Sponsor - \$2,000 • Gold Sponsor - \$1,000 • Silver Sponsor - \$500 • Bronze Sponsor - \$300**
- **Closest to Pin & Longest Drive Sponsor: \$200 each • Hole Sponsor: \$100 each • Individual Donations**
- **Attendance & Raffle Donations • Goody Bag Donations • Golfers**

Please see the attached for details on Sponsorship and Golfer Registration!

If you wish to support this very worthwhile cause by donating items or sponsoring at one of the above levels, please contact Kelli Grundig at (314) 813-2009 or via email at kgrundig@fry-wagner.com.

If you wish to enter a foursome, please send the Golf Registration form to Kelli at kgrundig@fry-wagner.com. Gifts can be sent to Kelli's attention at Fry-Wagner, 3700 Rider Trail South, Earth City, MO 63045. Your support is greatly appreciated!

Sincerely,

Dan Zessinger—Vice President & General Manager
Fry-Wagner Moving & Storage, St. Louis
